New Jersey Veterinary Medical Association

Member Roundtable Veterinary Issues Discussion and Dinner

A critical component of the decision making of the NJVMA Executive Board is member feedback. One of the most effective ways to obtain that feedback is through the NJVMA member roundtables. This year, we've changed the format to have structured presentations by experts in the field on specific topics, followed by Q&A and open dialogue. The topics for this year, identified by members through the NJVMA LinkedIn page, are compounding, USDA accreditation and buying/selling a practice.

You are cordially invited to join Executive Director Rick Alampi and members of the Executive Board for these roundtable dinner discussions. We are interested in hearing your thoughts on how the NJVMA should address these key issues. If you have a senior team member who is not a veterinarian, feel free to bring them with you. Kindly indicate any guests on your registration form.

Please let us know if you would like to attend one of these **FREE** (dinner included) roundtable discussions. Space is limited so please RSVP by one week prior to the event. All meetings will begin promptly at 7:00pm. Your participation is greatly appreciated!

I will attend the following Veterinary Issues Discussion Meeting(s):
**(Select First, Second and Third Choices. If the evening is full you will be put on a wait list.)*

Return this form by email to info@njvma.org or fax to (908) 450-1286.
