

## **New Jersey Veterinary Medical Association**

## REQUEST FOR HOSPITAL INSPECTION 2010

Applications are being accepted for 2010 Hospital Inspections. Inspections are on a voluntary basis and are conducted by the New Jersey Veterinary Medical Association. Each accredited hospital receives an appropriate certificate.

Requests for inspections must be received on or before March 7, 2010 On or before March 7, 2010 After March 7, 2010 **N.IMVA** members \$105 \$130 **Non-Members** \$465 \$490 AAHA-certified member hospitals are exempt from NJVMA inspection during their AAHA certification, but the NJVMA will certify these facilities for participation in the NJ Animal Population Control Program. These facilities, however, must pay a \$20 fee for two-year NJVMA certification; \$30 for three-year NJVMA certification; and \$40 for four-year NJVMA certification. These certification periods coincide with your AAHA certification dates. Non-NJVMA members who are AAHA certified must pay \$75 for two-year NJVMA certification; \$100 for three-year NJVMA certification; and \$125 for four-year NJVMA certification. A copy of your AAHA certification **MUST** be included with this application. NJVMA or AAHA inspection is necessary for participation in the New Jersey Animal Population Control Program. \*\*Please note that Hospital Inspections will begin **after** the cut-off date of March 7, 2010.
